

BOB BOX SET SERIES: "SPLIT"

INTRODUCTION

This play is part of a Box Set Series where you run different plays from the same box set. I recommend selecting 1 or 2 of these plays as your regular BOB (Baseline Out-Of-Bounds) actions and keeping the other(s) up your sleeve for a "Need" situation!

OVERVIEW

Offensive Set: Box Set
Key Action: Scissor Action
Designed for: Wing or Best Cutter
Against: Man & Switching Defense

PERSONNEL

- ① Best Passer / Decision Maker
- ② Best Shooter / Screener
- ③ Best Cutter / 2nd Best Shooter
- ④ Best Shooting Post
- ⑤ Best Rebounder / 2nd Best Finisher

EXECUTION

- (1) ④ breaks to the ball side corner to create space as ② sets a diagonal up-screen for ⑤ (diag. 1)
- (2) ⑤ cuts hard to the weak side block (option 1) and ③ scissor-cuts right after ⑤ to the strong side block (option 2) using ② as a passive screen. ② must make sure not to move thus avoiding illegal screening
- (3) ② will pop out to the high-elbow once both cutters completed their actions and offer a pressure release option for ① (option 3).

NOTE

Do not be afraid to shuffle players around according to their strengths. It is far more important to set up your best finisher than a big player. Your best passer must be the inbounder even if he or she is your best shooter!
