

DESCRIPTION

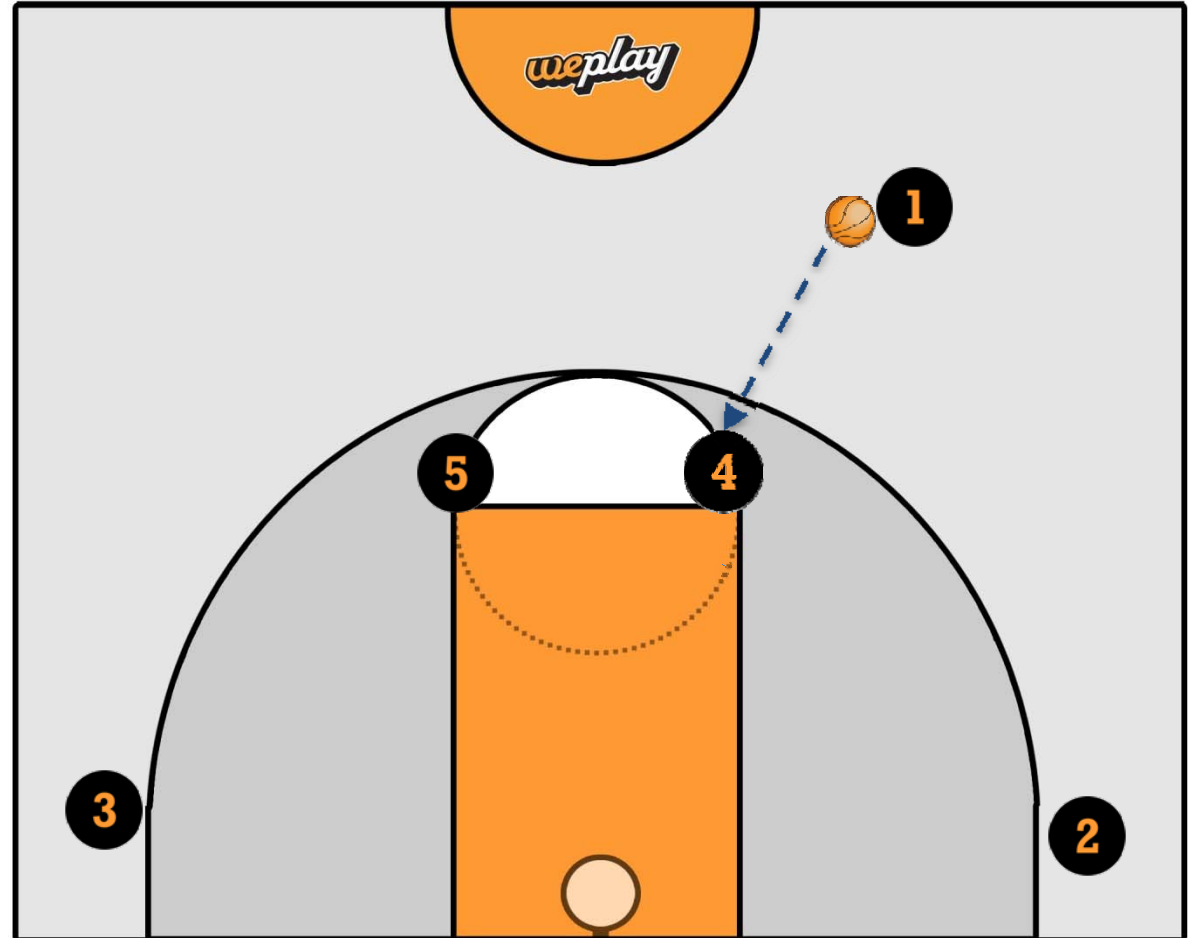

The objective of this play is to use the high post to create easy scoring opportunities for one of the frontcourt players.

1. The (1) initiates the play by passing it to the (4).
2. Once the (4) has the ball, the (3) and (2) will promptly set screens for the (5) and (4), respectively.
3. As the (5) and (4) head towards the hoop, the (4) has the option to either pass to the (5) for the layup or take himself to the rack for the wide open layup.
