

DESCRIPTION

This timeless play works best when the defense is overplaying and anticipating the regular give-and-go.

1. The (1) passes to the (3) and immediately cuts hard towards the hoop.
2. The (3) fakes the pass to the cutting (1) causing his defender to commit to this cutter, which should then leave the (3) open for an elbow jumper.
3. The (1), (4), and (5) attack the basket for the rebound.
