

## DESCRIPTION

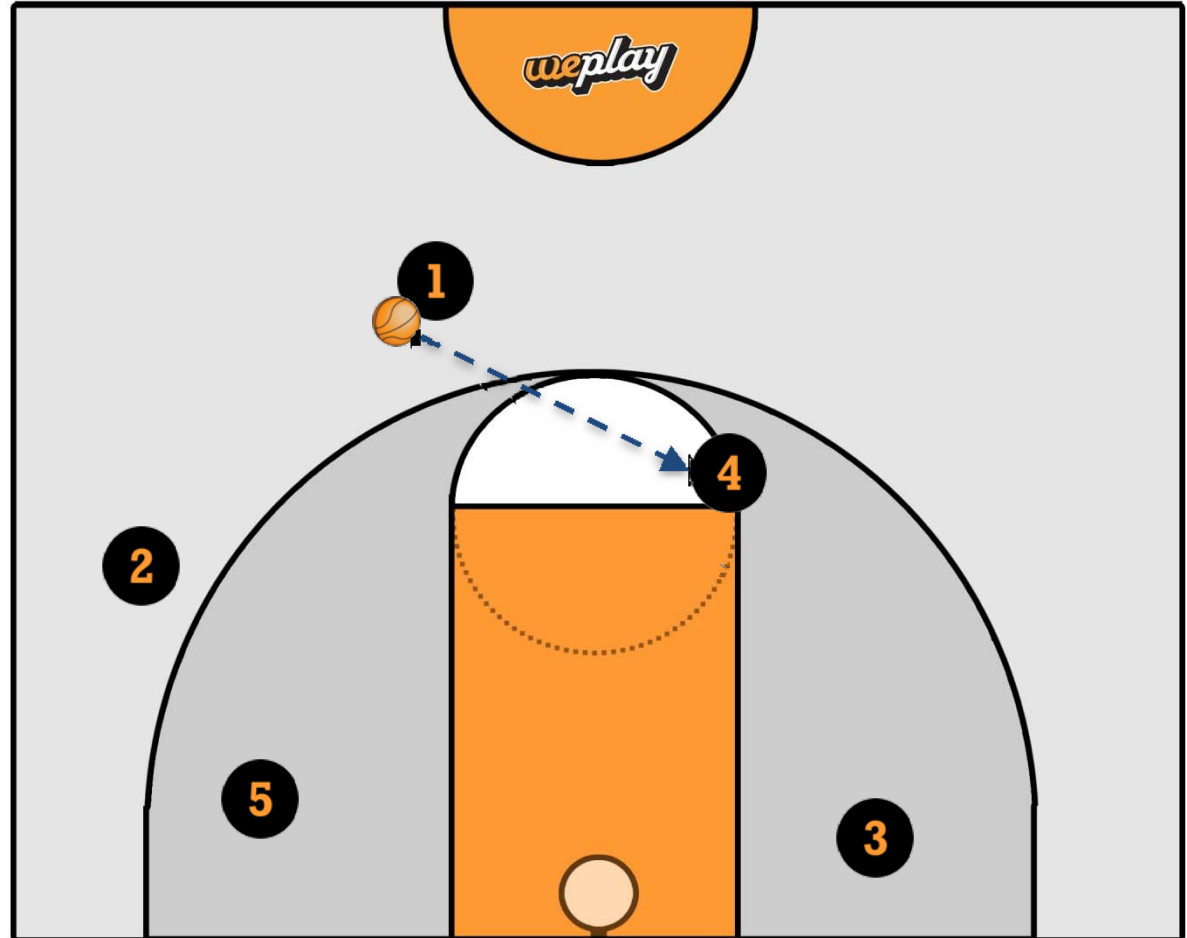

The goal of this backdoor cut play is to fake the defender as if he/she is going to catch the ball for a 3-pointer but instead cuts back towards the hoop to receive the pass for a layup.

1. The (1) begins by passing to the (4).
2. The (3) then immediately cuts towards the corner 3-point line where the (4) fakes a pass in that direction, just so the (3) cuts directly back to the basket.
3. The (4) delivers the pass to the (3) by the time he/she reaches the box, who then scores the layup.
