## DESCRIPTION

The aim of the inbound play is to score a quick midrange jumper by the (2) if the defense is in a 2-3 zone.

1. **First off, the (1) sets a screen for the (2) at the opposite elbow while the (4) cuts diagonally to the left side block.**

2. The screen is set and then the (2) heads to right side outside of the key for a midrange jumpshot.

3. Before the (3) inbounds the ball to the (2), he/she fakes a pass to the (4) then passes the ball to the (2) for the open jumper.

4. The (5) and (4) finish by being in rebounding position.
