

DESCRIPTION

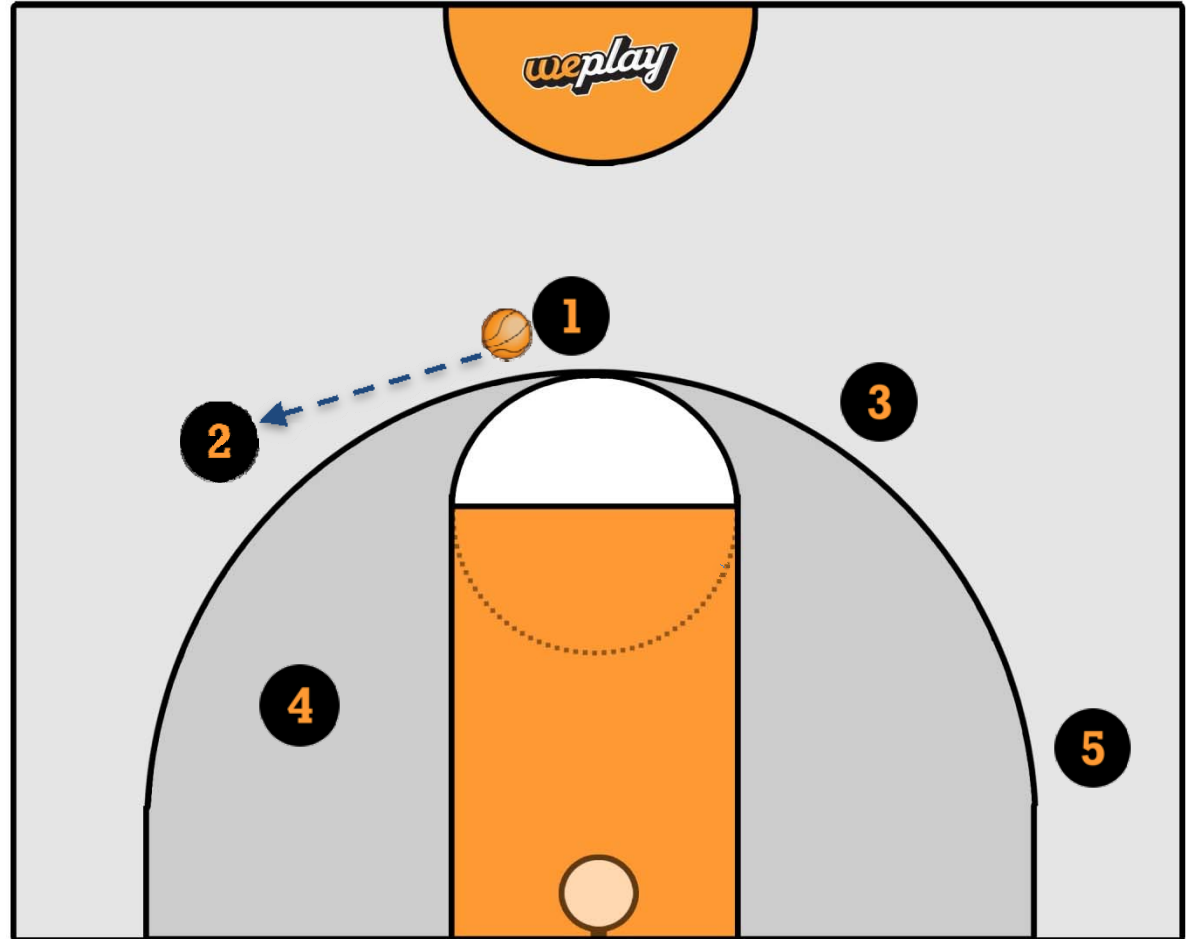

This isolation play aims to create a scoring opportunity using a frontcourt player's ability to post-up.

1. The (1) initiates the play by passing to the (2).
2. Once the (2) receives the pass, the (4) will move down to the block and get in post-up position.
3. The (2) then passes to the (4) to use post moves to get a good shot.
