

## DESCRIPTION

Using the same setup as the quick screen and cut play, this play is designed to create a scoring option in the low post if the first cutter is not open.

1. The (1) dribbles to the right to then come back to his left while the (3) cuts towards the hoop and back to the wing.
2. The (5) heads to the high post to set a screen for the (1) who uses it after passing to the (3).
3. The (1) cuts to the goal and the (3) looks to pass to the (1) but instead passes it back to the (5), while the (2) fades out to the wing.
4. The (4) fronts his man to post him up and the (5) delivers the pass to him so he could then score.
