

DESCRIPTION

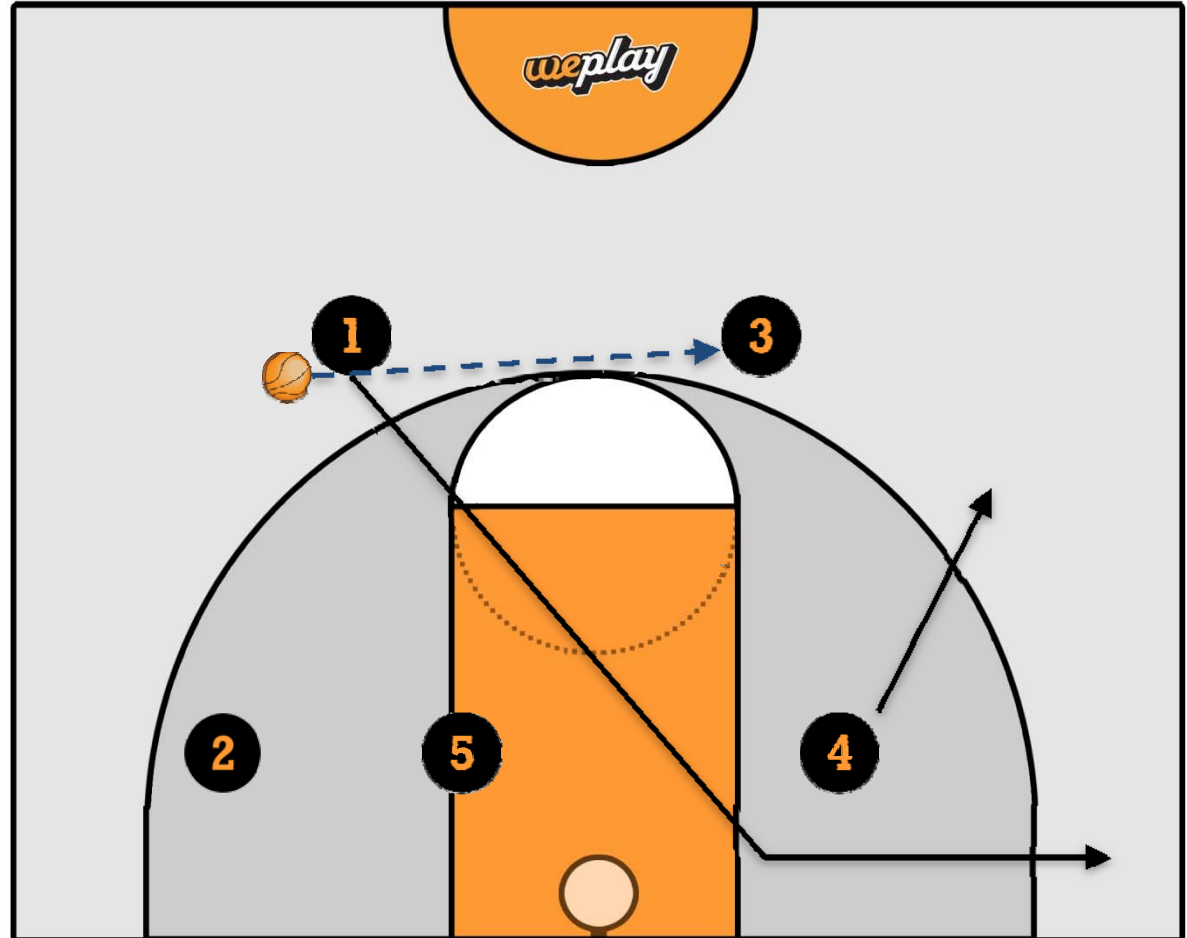

The goal of this offensive play is to shift the defense by situating the offense in a triangle format, ultimately leading to easy shots near the hoop.

1. The (1) passes to the (3) and then diagonally cuts through to the key to get to the left 3-point corner, while the (4) pops out to the left wing.
2. The (3) passes to the (4) and the (5) sets a screen for the (2) who heads to the other side of the key.
3. The (4) then passes to the (2) while the (5) rolls to the basket where the (2) subsequently passes to the (5) for the open layup.
